On-Q

In-Wall TV Power and Cable Management Kit, White

Part No. CPT306WV1

Easily hide power and AV cables inside the wall without modifying electrical wiring. This pre-wired kit includes everything needed to extend power to wall mount TV installations while providing the ultimate flexibility with the innovative decorator based power inlet strap and the recessed box with duplex power receptacle.

Features & Benefits

In-wall design hides all cabling, including power, HDMI, coax, and Cat 5e behind the wall

Specifications
