

Generac Power Systems 5 Year (5C) Limited Warranty Extension for Residential and Commercial Standby Generators

Generac and purchaser hereby amend ("Amendment") the term of the original warranty for the generator ("Original Warranty") from the term originally stated in the Original Warranty to a term of five (5) years or two-thousand (2,000) hours ("Term Extension"), whichever occurs first. If purchaser's Original Warranty had already expired, this Amendment revives the Original Warranty and replaces its term with the Term Extension. This Amendment also amends warranty coverage in the Original Warranty to the coverage listed below from years 1-5 ("Coverage Extension"). The Coverage Extension shall not retroactively apply to cover any warranty work performed before the date of the Amendment. For clarity purposes only, the amended warranty is stated below in full.

For the period of warranty noted below, which begins (or began, whichever applicable) upon the successful start-up and/or on-line activation of the unit, Generac Power Systems, Inc. Generac will, at its discretion, repair or replace any part(s) which, upon evaluation, inspection and testing by Generac or an Independent Authorized Service Dealer, is found to be defective. Any equipment that the purchaser/owner claims to be defective must be evaluated by the nearest Independent Authorized Service Dealer. Emissions components are excluded from coverage under this extended warranty. Emissions warranty coverage is detailed in a separate emissions warranty.
