Product specifications

Eaton SPM300240S4R

Catalog Number: SPM300240S4R

Eaton SPD Max series surge protection device, SPD Max Series, 300 kA per phase, 120/240 Split Phase, Power Xpert SPD, NEMA 4 with internal circuit breaker

General specifications

Product Name	**Catalog Number**
Eaton SPD MAX series surge protection device	SPM300240S4R
	UPC
	786689410339
Product Length/Depth	**Product Height**
9.5 in	17.05 in
Product Width	**Product Weight**
15 in	52 lb

Powering Business Worldwide

Electrical properties

Voltage rating

120/240V split single-phase

Surge current

300kA per phase
