"Building a Better Brand"

Item # NMC50, (NMC50) Romex Non-Metallic Cable Electrical Connector

1/2" Non-Metallic Cable Connectors

The NMC50 connector for Romex is a snap to install. Molded in a one piece plastic construction, this push in design has a captive locking wedge. The cable will be securely retained and no locknut is required. They provide excellent strain relief and are designed to accommodate 14/2 minimum to 10/3 maximum cables, or one or more 0.300 to 0.600 diameter cords.
