Photoelectric Sensor

PS256B-05B1

UPC:782116125562

Dimensions:

- **Height:** 3.7 IN
- **Length:** 5.88 IN
- **Width:** 5.75 IN

Weight:4 LB

Warranties:

- 1 year

Specifications:

- **Connection:** DC: main output/slug output: one 6-position plug-in style 2, AC: AC line input, DC fail indication and slug input: one 7-position plug-in style 4
- **Enclosure Material:** Extruded aluminum
- **Environmental Rating:** NEMA 4X
- **Input Voltage:** 100-250V
- **Led Indicators:** AC in (red), DC out (green)
- **Operating Temperature:** -13° to 131°F (-25° to 55°C)
- **Protection:** S/C, overload, overvoltage (auto-reset)
