Mounting Components for support arm systems – CP 6212.900

created: 24.05.2018 build on www.rittal.com/us-en

Product description

Description:	To mount a signal pillar on the plastic cover of support arm components.
Color:	RAL 7024
Note on Model No.::	For CP 120 support arm system angle coupling 90° 6212.380, angle piece 90° 6212.600, intermediate hinge 6212.620, wall-mounted hinge 6212.740, top-mounted joint 6212.700 For support arm system CP 180 – angle piece 90° CP 6218.600, top-mounted joint 6218.700

Product features

Installation options:	On LED compact signal pillar in conjunction with connection adapter 2372120 On modular signal pillar in conjunction with connection component 2368000
Suitable for signal pillar:	LED compact modular
Packaging unit:	1 pc(s).
Weight/packaging unit:	0.1 kg (0.2 lb.)
EAN:	4028177684249
Customs tariff number:	39269097
ETIM 6.0:	EC002625

ETIM 5.0:	EC002625
eCl@ss 8.0/8.1:	27371233
eCl@ss 7.0/7.1:	27371233
