

## 9998PC306

Pilot light kit, 9998, Switch mechanism, Actuator assembly, Piston Replacement contact Convuluted diaphragm Gasket pressure and float spare part

### Main

|                                       |                            |
|---------------------------------------|----------------------------|
| Range of Product                      | 9998                       |
| Product or Component Type             | Pilot light kit            |
| Accessory / separate part designation | Pilot light conversion kit |

### Complementary

|                       |                                                                                                                                                      |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product compatibility | Electromechanical control pressure switch 9012G, 9016G forms G17 and G18)<br>Electromechanical control vacuum switch 9012G, 9016G forms G17 and G18) |
| Product Weight        | 0.5 lb(US) (0.2 kg)                                                                                                                                  |

### Ordering and shipping details

|                   |              |
|-------------------|--------------|
| Category          | US1CP7G21616 |
| Discount Schedule | CP7G         |
| GTIN              | 785901188629 |
| Returnability     | No           |
| Country of origin | MX           |

### Packing Units

|                              |                      |
|------------------------------|----------------------|
| Unit Type of Package 1       | PCE                  |
| Number of Units in Package 1 | 1                    |
| Package 1 Height             | 5.00 in (12.7 cm)    |
| Package 1 Width              | 2.50 in (6.35 cm)    |
| Package 1 Length             | 3.00 in (7.62 cm)    |
| Package 1 Weight             | 5.008 oz (141.974 g) |

### Offer Sustainability

|                           |                                                                                                                                                                                                                                                                                                                                                                                   |
