

Tool Bag, Bull-Pin and Bolt Bag, Tunnel Loop, Leather, 5 x 10 x 9-Inch

The Klein Tools Bull-Pin and Bolt Bag is a great way to carry all of your bolts and bull pins while on the job. The 10-Inch deep bolt bag holds a large amount of steel working bolts while the side loops holster your bull pins when not in use. The durable leather material resists most jobsite hazards. The tunnel belt loop accommodates belts up to 3-Inch wide.
