Product specifications

Eaton T800P-02000

Catalog Number: T800P-02000

Transformer, Single-phase, 2 kVA, 2 kW, 120/208/240V, Hardwired, cUL listed

General specifications

Product Name	Catalog Number
Eaton Power-Sure 800 power conditioner	T800P-02000

UPC	Product Length/Depth
743172021328	20 in

Product Height	Product Width
17 in	14 in

Product Weight	Warranty
125 lb	2 year

Certifications

cUL Listed

UL 1012

UL 544

Product specifications

Mounting

Panel

Type

Transformer

Phase

Single-phase

Efficiency

Approximately 92% at full load

Output

Hardwired

Wattage

2 kW

Operating Temperature

-20° to 40°C

Topology

Line conditioner

Output voltage

120/208/240V
