PRO READY™

STAB-iT® 4” Square Box

RACO’s line of STAB-IT® boxes with built-in cable connectors for flexible armored cable are field-proven to be 3X faster than using traditional connects. Our unique cable clamp locks in place quickly and easily to increase production on every job.

- Streamlined ordering and receiving process
- Minimized work site waste
- Installation time reduced by over 50%
- All-inclusive pricing for better cost efficiency
- Fewer SKUs for simplified inventory management
