HALO

DESCRIPTION

Dome lens shower trim for 4" H99 incandescent family and the H470 and H471 CFL family of recessed housings. The 952 features a Frost dome lens, a non-conductive and non-corrosive trim ring, and an upper specular clear reflector optic. Polymer trim and glass lens are non-electrically conductive for "dead-front" code compliance where required. The 952 is wet location listed for use in protected ceiling, shower application. Three pressure springs secure trim in housing.
