On-Q
MDU Mounting Bracket
Part No. AC1042

The MDU Mounting Bracket is constructed from WiFi-transparent plastic and is designed to mount two On-Q MDU Modules and one MDU Video Splitter inside a traditional structured wiring enclosure. This bracket provides a compact and cost-effective solution for organizing your network components.

Features & Benefits

- DIN Rail - Half Width
- Compact design maximizes space and service distribution options within the enclosure
- Strategically placed cable tie locations keeps wiring terminations tidy
- Constructed of durable ABS Plastic
