Blanking cover for filter fan/outlet filter – SK 3239.020

created: 24.05.2018 build on www.rittal.com/us-en

Product description

Description:	If existing mounting cut-outs for filter fan units/outlet filters need to be closed to achieve a higher protection category, the filter mat of the filter fan unit/outlet filter can simply be replaced with a blanking cover; welding or other mechanical modification of the enclosure is not necessary.
Material:	Plastic
Color:	Anthracite
Protection category IP to IEC 60 529:	IP 54
Suitable for Model No.:	3239....

Product features

Packaging unit:	2 pc(s).
