Product Specification Sheet

648RW

BRIDLE RING/WOOD

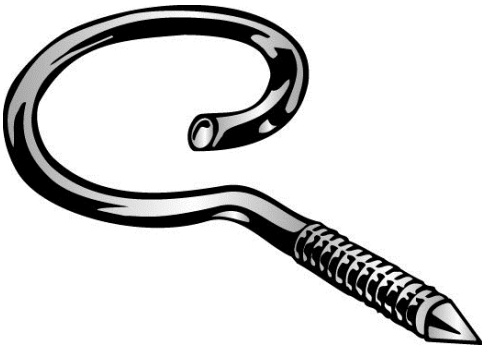

UPC: 784610388481

UNSPSC: 39121701

Commodity: Electrical hangers

Country of Origin:

USA

The cable bridle ring's design allows for cables to be added or removed at any time due to the "corkscrew" ring which allows access space for adding or removing cables and at the same time providing 360° degrees capturing of the cable or bunch of cables.
